*“For the grace of God that bringeth salvation hath appeared to all men.  
Teaching us, that denying ungodliness and worldly lusts, we should  
live soberly righteously, and godly, in this present world.”*

### How close we are to the third world war.

The “Twin Towers” that proudly stood in New York City as recent as five years ago today is forever history. The Pentagon was targeted to be no more, as was the White House. Fifty thousand people worked in the inner core of the Twin Towers of which 2,904 were incinerated, hundreds in the Pentagon and hundreds more in the planes that were used as bombs perished. These people represented many households, consequently many children, spouses, mothers and fathers. As the attack on Pearl Harbour was part of the Second World War, so 9/11 may well be considered the commencement of World War Three as stated by annalists. How well do we remember the events of five years past? Have we drifted back to indifference? Is there anything else planned by these terrorists? It behoves us to have our lives and homes in order (Matt.24: 44). We must take spiritual inventory or suffer the most severe consequences. The following has been expressed by Dr. E. L Bynum as to what the nation must do: “..... it is time for us as Christians to quit playing the blame game, and confess our sins and the sins of

our nation. It is time to do business with God. Lest we sleep through God's final wake up call."

- 1) We have killed about 40.000.000 babies, which have not gone unnoticed by God.
- 2) We have taken the Bible out of schools and largely out of public life.
- 3) We have polluted the minds of youth with pornography, cursing, and music.... The vile has been injected.
- 4) We have become calloused, cold and worldly as Christians.
- 5) We have legalized homosexuality condemned in the Bible.
- 6) We have tolerated fornication....every third baby is born out of wedlock.
- 7) We have put material things, pleasure and sin ahead of God.
- 8) We have left church, Bible reading and worship out of our hearts, homes and homes.
- 9) We have elevated sports to the point of being shrines of unholiness at which we worship.
